JUSTICE FOR THE 5

paaunow.org

In March of 2022, PAAU activists intercepted a box containing 115 aborted children outside of the Washington Surgi-Center in Foggy Bottom, DC.

The box was given to them by a whistleblower working for Curtis Bay Medical Waste Services.

They were aborted by Dr. Santangelo in Washington DC.

The injuries observed on 5 nearly full-term babies recovered from the box suggest that they were aborted with federally illegal methods, or left to die after being born alive.
